Width/ Ancho		120 cm 47" 153 cm 60" 200 cm 78"

Normal

Sauleda awning design fabrics have greater water repellence without losing their breathable characteristics. All our fabrics have an impregnated finish that gives them great resistance to stains, increases the colour stability and lengthens the life of the fabric.

Las lonas de diseño para toldo Sauleda aumentan su repelencia al agua sin perder transpirabilidad. Todas nuestras lonas llevan impregnado un acabado que les otorga una gran resistencia a las manchas, incrementa la estabilidad del color, y alarga la vida de la lona.

Special

The special coated finish gives the fabric a series of properties and a water column over 1.000 mm. Its wide colour range makes it the perfect fabric for providing excellent results against water.

El acabado especial resinado confiere a la lona unas cualidades y una resistencia superior a 1.000 mm. Su amplia gama de color la convierte en una lona ideal cuando se necesitan excelentes resultados frente al agua.
